Selecting the Right School

Compare:

- Programs and courses
- Size of the school and of the city/town around it
- Location of campus within the city
- Layout of the campus
- Distance from home
- The right “feel”
- Residence facilities and alternatives to residence
- Costs

Prerequisites for Post-Secondary College Diplomas

General admission requirements will include:

- OSSD
- Depending upon the program, some specific Grade 11/12 courses might be required
- For some programs, a supplementary application/form may be needed (ex. Statement of Experience, a test, a portfolio, an interview)

Prerequisites for Post-Secondary University and College Degrees

General admission requirements:

- Six 4U/4M courses that INCLUDE any identified prerequisite credits (used to determine a student's admission average)
- For some programs, supplementary applications/forms may apply (ie. performance, portfolio, interview)

University Application (cont)

OUAC is used for:

- Applications
- Amendments
- Acceptance

- Do not contact the Ontario universities about the above 3 items
- Once you have your PIN, please go in and double-check that the information is accurate ... any concerns please come into Student Services

University Timeline: Between now and August 2020

- **October/ November** – Upload of information to create your OUAC account/ PIN number
- **November 1st** - you will get your PIN from Guidance & you can open an account
- **January 15th** - Applications are due to OUAC/ equal consideration
- **February 4th** – Recommended date to make final changes to your application
- **Mid February** - OUAC gets all the Semester 1 final marks from Ontario high schools
- **Late April** - Semester 2 midterm marks are made available to institutions via OUAC
- **May 27th** - Latest date that university application decisions will be released (offer, refusal, or deferral)
- **June 1st** – Earliest date that Ontario universities can require a response to an offer of admission
- **July 6th** – Deadline for receipt (by OUAC) of all Semester 2 final marks from Ontario high schools
- **August** – Students are responsible for ensuring that all summer school marks are submitted to OUAC directly

Conditional Offer of Acceptance

- A conditional offer of acceptance is conditional upon your final marks being similar to the marks that were used at the time of evaluation.
- Some applicants might receive offers very soon after the mid February date based upon Semester 1 marks and Grade 11 marks
- **The majority of students will not receive offers until after Semester 2 mid-term marks**

Early Acceptance (and what you should know)

- it is offered by only a few universities and specific to only certain programs.
- it is based entirely upon grade 11 and 12 courses completed by the end of August 2019 and it targets the strongest students interested in very high demand programs (students with very high averages coming out of grade 11)
- should you be offered early acceptance, and accept it, you cannot accept any other offers - conversely, if you are offered this and don't accept immediately but rather wait to hear about acceptance in your other programs, there is no disadvantage - you will still receive a Conditional Offer of Acceptance

Advice from Student Services

- Create a “clean email” – Gmail is recommended over Hotmail
- Check your email often and don’t share access to your email
- Check in Student Services often regarding upcoming Scholarship deadlines
- Have a list of important dates and deadlines in your calendar
- Start putting together your portfolio (if required)
- Use the Internet responsibly (What is your Internet identity?) and protect your electronic identity
- Keep a printed copy of all communications and contacts
- Keep your OUAC account information safe
- If you need a reference letter - give the person a lot of time!
